

Toolrests

3" (100mm) Toolrest

SKU: TR100/1

- 1" (25mm) Shank for super strong platform.
- Cast Iron with ribbing to maximise rigidity.
- Small size perfect for smaller projects.
- Fits all NOVA lathes.

\$24.99
EA.

6" (300mm) Toolrest

SKU: TR300/1

- 1" (25mm) Shank for super strong platform.
- Cast Iron with ribbing to maximise rigidity.
- Standard size perfect for most projects.
- Standard Equipment with NOVA lathes.

\$36.99
EA.

Bowl Toolrest

SKU: 9006

- 1" (25mm) Shank for super strong platform.
- Solid Cast Iron for maximum strength.
- Special curved design makes bowl turning easier – great for large bowls.
- Ideal for use with Outrigger Accessory.
- Fits all NOVA lathes.

\$47.99
EA.

Toolrest Collar

SKU: 27007

- A simple collar to provide fixed height for the toolrest
- High quality solid steel with chamfered edge for turners protection
- For all 1" toolrest shaft lathes

\$14.99
EA.

NOVA Live Centre System

SKU: 5015

- Fits all lathes with 2MT tailstock
- Over 6 functions in 1 unit
- Quick change tapers for super fast mounting of centre pieces
- Long life, extra tough triple bearing system

\$69.99
EA.

NOVA Lathe Handwheel

SKU: LHB

- For putting on the outside of the lathe headstock, perfect for manually rotating the headstock to check large or out of balance work.

\$29.99
EA.

NOVA 2MT Simple Live Centre

SKU: 2MTLC

- Heavy duty bearings for long life
- Used in tailstock
- Standard equipment with all NOVA lathes

\$19.99
EA.

Tailstock Adaptor

SKU: 5016

- Allows for perfect alignment when remounting work to turn the other side in dead or live mode, saving time and material normally wasting in truing up.
- In live mode it can also be used in support work for a chuck, such as vacuum chucking. Fits the NOVA Live Centre system and NOVA Chucks and NOVA lathes, as well as all lathes with a 2MT tailstock.

\$34.99
EA.

NOVA 2MT Spur Centre

SKU: 2MTSPUR

- 4 Prong for secure holding on larger work
- Used in headstock
- Standard equipment with NOVA lathes

\$19.99
EA.

Faceplates

SKU: SFP80L

Faceplate Kit 3" (80mm) 1 1/4-8 for DVR

SKU: SFP80Z

Faceplate 80mm Z RH Needs Insert

Spin balanced construction eliminates vibration. Standard equipment with NOVA lathe.

\$16.99
EA.

NOVA CHUCK TIP

Did you know?

NOVA was awarded one of the Top 25 Innovations in the last 25 Years by WOOD Magazine for its 4 Jaw Chuck, designed especially for Wood Turning. Back in 1988 we introduced this revolutionary 4 Jaw circular design, which has since become the standard in Wood Working. The NOVA Chuck enables Turners to hold and then shape, a wood blank by tightening the jaws around a simple tenon, which is then cut off after finishing the bowl. NOVA Chucks have revolutionised workholding for many, many thousands of Turners.
